EQUIVALENT
13-26 Watt CFL

AVERAGE RATED LIFE
25,000 hrs

HOUSING
Plastic

BASE
Universal for 2-pin diagonal and 4-pin sockets

POWER
90-277V, 60Hz

LENS
Frosted

BEAM
360°

COLOR (K)
2700, 4100, 5000

APPLICATION INFORMATION

Applications
— Security Lighting
— Downlighting
— Sconces

Market Segments
— Hospitality
— Commercial
— Industrial
— Multi-Family Housing

Application Notes

1. Operating temperature range between -20°C and +45°C (-4°F and +113°F)
2. Not for use with emergency light fixtures or exit lights
3. Not for use in totally enclosed fixture
4. For use in dry locations only
5. Ballast bypass required, wiring direct to mains voltage

This device complies with Part 15 of the FCC rules and has been tested and found to comply with the limits for a Class B digital device. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. Any changes or modifications not expressly approved by the manufacturer could void the user’s authority to operate the equipment.

Specifications are typical values and may change without notification.

PL REWIRE

With a universal base that is compatible with 2-pin diagonal and 4 pin fluorescent sockets, Kobi Electric LED PL Rewire lamps are low maintenance and energy efficient alternatives for traditional PL tube compact fluorescent lamps. They are designed for 90-277V AC directly from mains, and have a dedicated internal driver, rendering the fluorescent ballast unnecessary. Unlike fluorescents, our PL lamps start instantly with no warm up time.

BENEFITS
• Up to 47% more efficient than CFL equivalent
• Longer life and lower maintenance costs
• Mercury and Lead free, as well as UV and IR free
• Instant on to full brightness, no warm up
• No ballast needed

CERTIFICATIONS
UL
RoHS
QPL

LM79 reports are available upon request.

Based on 12 hours of use per day.
